

Join thousands of other coaches across the country who have participated in this national recognition program for players.

We are excited to kick off the “Heart of the Babe” national program for another season! Teams across the nation will participate in this exciting player recognition program to celebrate that one special player on each team who embodies the values and qualities of the legendary Babe Ruth and of the Babe Ruth League.

Now, this is not an award for who’s the best player, or the most popular... this is about the player who NEVER GIVES UP... about the player who shows “determination”.

“It’s hard to beat a person who never gives up.” — Babe Ruth

Coaches will be choosing their team’s award winner, so every player on the team has the chance throughout the season, to show that they’re working hard to improve their play.
