

### **Waretown Thunder Baseball 2024 Fall Outdoor Clinics**

The Waretown Thunder Baseball Club is now accepting registrations for our upcoming 2024 Fall Outdoor Clinics. Fall Ball is an important part of our program as we offer multiple clinics for players to continue to work on their skills in the Fall Season. Waretown Thunder Baseball Club Fall Clinics are open to all players residing in Ocean County. We will host two Clinics.

#### **1-Fall Pitching/Catching Clinics**

Pitching and Catching clinics are for players ages 6 – 10 years old. Clinics will be Friday nights and or Saturday Mornings at our fields in Waretown. Clinics are offered on a first come first serve basis as we have player limits per clinic. Clinics begin in Early September and run for 8 consecutive weeks. The Clinics are outdoors so it is possible that the dates may be extended if postponed due to weather. From the beginner to the experienced baseball player, our clinics will address baseball pitching and catching basics and feature experienced baseball instructors. Cost for the Pitching/Catching Clinics are \$50 per player (\$60 Late Registration after 8/15/24) and includes a t-shirt and all scheduled dates.

#### **2-Fall Hitting/Skills Clinics**

Hitting/Skills clinics are for players ages 4 – 10 years old. Clinics will be Friday nights and or Saturday Mornings at our fields in Waretown. Clinics are offered on a first come first serve basis as we have player limits per clinic. Clinics begin in Early September and run for 8 consecutive weeks. The Clinics are outdoors so it is possible that the dates may be extended if postponed due to weather. From the beginner to the experienced baseball player, our clinics will address baseball hitting and fielding basics and feature experienced baseball instructors. Cost for the Hitting/Skills Clinics are \$50 per player (\$60 Late Registration after 8/15/24) and includes a t-shirt and all scheduled dates.
